FULL-COLOR
INKJET PRINTER

NOTE: Professional company engaged in the sale and service of Full-color inkjet printers

KEYAN 108

Live in Full Color

ADVANTAGES OF THE PRODUCT

Top 10 Reasons to Choose a Full-Color Printer

- 01

Removable components
- 02

Full-color printing
- 03

Intelligent digital software control
- 04

High-Speed Printing
- 05

Intelligent ink measuring
- 06

Multiple printheads available and adjustable printing direction
- 07

PC remote intelligent printing control
- 08

Online remote editing and data transmitting
- 09

Continuous bulk ink supply and control
- 10

Compatible with various types of paper materials
